ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

5.01 Creation of Lien and Personal Obligation. Declarant hereby covenants, and each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to pay to the Association assessments as provided in this Declaration. The assessments levied by the Association and any other charges against the Owner of a Lot set forth elsewhere in this Declaration, together with interest, costs and reasonable attorney's fees, shall be a charge on the Lot of such Owner and shall be a continuing lien upon such Lot senior to all liens except the first mortgage of record and any special assessments levied by the City. Such assessment or charge, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment or charge fell due. The personal obligation for delinquent assessment or charge shall not pass to said Owner's successor in title unless expressly assumed by them.

5.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of carrying out the general duties and powers of the Association, including, but not limited to operation, maintenance, repair, reconstruction, restoration, replacement, or alteration of the Declarant Improvements to the Addition or the Improvements hereafter constructed by the Association as provided in this Declaration, insurance coverage of the Association and its property, any legal or other costs of enforcement of this Declaration, and for such reasonable reserves as the Board deems necessary. See Section 4.03 supra. In making such assessments, the amount to be levied shall be equal to and limited to the actual cost to the Association of providing those functions and services set forth in this Declaration.

5.03 Rate of Assessment; Late Payment Penalty. The assessments levied on and against Lots within the Addition and the Owners thereof, shall be a share of the total amount of each assessment prorated equally among such Lots within the Addition and the Owners thereof as of the beginning of the period for which such assessment applies. A late payment charge of \$20.00 will be assessed for any payment received after the 5th day of each month for regular assessment payments or five (5) days following the due date of any other assessment.

5.04 Procedures. All assessments shall be made in the manner and subject to the following procedure:

- (a) Notice of all assessments may be given by mail addressed to the last known or usual post office address of the holder of legal title of the assessable property and deposited in the United States mail with postage prepaid, or may be given by posting a notice of the assessment upon the assessable property itself.

- (b) Every assessment shall become due and payable within thirty (30) days after notice is given as hereinabove provided, unless the assessment by its own terms provides for payment in monthly, quarterly or semi-annual installments, in which case each payment shall be due as stated in the notice. From and after the date when said payment is due, it shall bear interest at lesser of (i) the rate of twelve percent (12%) per annum, or (ii) the maximum rate allowed by law, until paid and such payment and interest shall constitute a lien upon the assessable property which lien shall continue in full force and effect until the assessment is fully paid. The Board may also impose a late charge in such amount as it shall establish from time to time and set forth in any notice of assessment to defray the Association's administrative costs associated with collecting delinquent assessment payments.
- Notwithstanding any other provision herein, the Association may bring an action at law against the Owner personally obligated to pay any assessment, or may foreclose the lien against the assessable property in the manner provided for foreclosure of a mortgage, or both, and all costs incurred by the Association, including attorney fees, shall be added to the amount of such assessment. No Owner of assessable property may waive or otherwise be relieved of liability for the assessments provided for herein by non-use of the Common Areas or Elements or abandonment of its assessable property.
- (c) The term "assessable property" shall mean all Lots within the Addition which are subject to this Declaration whether or not such Lots have a Town Home constructed on it and whether such Lot is vacant or occupied.

ARTICLE VI

GENERAL PROVISIONS; DURATION OF DECLARATION

6.01 Specific Enforcement of Restrictions/Declarant/Owner Remedies. Declarant and each Owner of a Lot in the Addition which is subject to the terms and conditions of this Declaration shall have the right to enforce this Declaration and each and every covenant, condition, easement, provision, restriction and term of this Declaration and in the event of the breach of any such covenant, condition, easement, provisions, restriction or term contained in this Declaration, Declarant and each Owner shall have the right to exercise all rights and remedies available at law or in equity and to Declarant/Owner Remedies as defined herein. All Owners of Lots within the Addition covenant and agree, by acceptance of a deed to such Lot, whether or not it shall be so expressed in such deed, that monetary damages may not provide adequate compensation for the breach of the restrictions and covenants contained in this Declaration and that this Declaration may be specifically enforced by Declarant or the Board. All remedies provided for in this Declaration or which are otherwise available at law or in equity shall be cumulative. Neither Declarant nor any Owner of a Lot which is subject to the terms of this Declaration shall have any liability to any person or entity for any failure to enforce any provision of this Declaration.

Declarant/Owner Remedies shall include, but not be limited to, the following:

If an Owner fails to comply with any provision in this Declaration and such failure continues for more than ten (10) days after written notice from the Declarant or the Association, then the Declarant or the Association Owner shall have the right and easement to enter upon the premises and perform such acts at the expense of the Owner of the Lot where such failure to act has occurred and shall have a right of action against the Owner of such Lot for collection of the costs thereof, plus reasonable costs, including attorney fees of collecting such amount, plus interest at the lesser of (a) twelve percent (12%) per annum or (b) the maximum rate allowed by law for the date such cost is incurred and shall have a lien against such Lot from the date an Affidavit reciting the giving of such notice, the performance of such work and the cost thereof is filed in the office of the Recorder of Story County, Iowa, until such amount, plus the reasonable costs, including attorney fees of collecting such amount and costs of filing such lien incurred by lienholder is paid.

6.02 Breaches Deemed to be a Nuisance. Every act or omission that violates, in whole or in part, any of the covenants, conditions, easements, provisions, restrictions and terms contained in this Declaration is hereby declared to be a nuisance, and every remedy allowed by law or equity therefor shall be applicable against the party who so violates this Declaration and may be exercised by Declarant or by any Owner of a Lot which is subject to this Declaration.

6.03 Attorneys Fees. In the event, in the reasonable opinion of the Board or Declarant, it shall be necessary to secure the services of an attorney to enforce the provisions of this Declaration, then the fee of such attorney, and all other costs in connection with the enforcement of this Declaration, including, but not limited to, the costs of obtaining and/or continuing an abstract of title to the Lot in question, the costs of any contemplated or actual legal proceedings, and the costs of preparation and presentation of any evidence shall be the obligation of the Owner of the Lot which is the subject of such enforcement action, unless such Owner is found not to have violated any provision of this Declaration; however, such Owner shall not be obligated for any such attorneys fees and costs incurred by such Declarant or the Association if the Owner offers to settle the matter for an amount equal to or greater than that finally approved by a court of competent jurisdiction and/or by taking or forbearing from the requested action, as appropriate. If such costs and attorneys' fees are not paid within ten (10) days from the date of written notice thereof by the Board or such Declarant to the Owner of such Lot, said fee and costs shall thereupon constitute a lien against the property in question, the same as the lien for the general assessment pursuant to the provisions of Article V hereof, and all interest and remedies applicable to such lien shall apply thereto.

6.04 Inspection. Declarant or representatives of the Association who are authorized by the Board may, from time to time, at any reasonable hour or hours, enter and inspect any Lot subject to this Declaration to ascertain compliance therewith.

6.05 Failure to Enforce Not a Waiver of Rights. The failure of Declarant, the Association, or any Owner of a Lot which is subject to this Declaration to enforce any condition,

covenant, easement, provision, restriction, reservation or term of this Declaration in any one instance shall not be deemed a waiver of the right to do so thereafter nor shall it be deemed to constitute a waiver of the right to enforce any other condition, covenant, easement, provision, restriction, reservation or term of this Declaration.

6.06 Rights of Third Parties. Nothing in this Declaration shall be construed so as to impose or create any duty or obligation on either Declarant, the Association or any Owner of any Lot which is subject to this Declaration to the benefit of the general public, third parties, or invitees, guests, employees, agents, principals or licenses of any Owner or Occupant of any Lot which is subject to this Declaration.

6.07 Liability. Neither the Declarant nor the Association, nor their respective members, shareholders, directors, managers, officers, employees, agents and representatives shall have any liability to or for damages of any sort to any Owner or Occupant or to any other person or entity for any exercise or failure to exercise any right or duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising herefrom, or for the granting of approval or withholding of approval, required or permitted under the terms of this Declaration, except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration. Any Owner of a Lot which is subject to this Declaration may, however, exercise any rights such Owner may have against the Declarant or Association or otherwise seek to enforce the conditions, covenants, easements, provisions, restrictions, reservations and terms of this Declaration against such Declarant or the Association, by an action in equity for specific performance or injunctive relief, to which Declarant shall be subject. These remedies of specific performance and injunctive relief shall be the only remedies available against Declarant or the Association (except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration) for any exercise or failure to exercise any right, duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising herefrom, or for the granting of approval or withholding of approval required or permitted under the terms of this Declaration, all other remedies being expressly waived by acceptance of a deed to any Lot within the Addition.

6.08 Condemnation. In the event of any partial taking by a governmental body or other entity that has the power of eminent domain that involves a taking of all or part of Improvements to be constructed by Declarant, the Owners of each Lot agree, by acceptance of a deed to such Lot, whether or not it is so expressly stated in such deed, that the Association shall have and shall be deemed to have an interest in proceeds to be paid for such taking in the amount necessary to repair, restore or replace the portion of such Improvements so taken as near as practicable to a functional whole to serve the same purpose after such taking as the facility so taken served prior to such taking. To the extent that the Association does not receive its own award or payment from the condemning authority or the award or payment received is inadequate to cover the cost of repair, restoration or replacement of such Improvements, the Owners of each Lot receiving such award or payment shall pay to the Association pro rata from their awards or payments the amount necessary for the Association to complete such repair, restoration or replacement of such Improvements. In the event that the awards or payments received from such condemnation are inadequate to pay the entire cost to complete such repair, restoration or replacement of such Improvements, then the remaining cost shall be assessed

against all Owners of Lots in the Addition in proportion to their respective assessment shares. All amounts due to the Association from the Owners of any Lot shall constitute a lien against the property in question, the same as the lien for the general assessment pursuant to the provisions of Article V hereof, and all interest and remedies applicable to such lien shall apply thereto.

6.09 Association as Additional Insured. All Owners or Occupants shall carry homeowner's insurance covering the Improvements on their Lot for all replacement cost. The Association shall be named as an additional insured on the insurance policy. Owners or Occupants shall provide proof of said insurance to the Association at least annually. If the Owner or Occupant fails to provide proof of insurance, the Declarant or Association shall be entitled to Declarant/Owner Remedies.

6.10 Estoppel Certificates. The Association shall issue to any Owner of a Lot or to any mortgagee of, or purchaser from, any Owner of a Lot, an Affidavit Explanatory of Title or Estoppel Certificate in such form as may reasonably be requested.

The Association shall be entitled to establish a reasonable fee for the provision of a certificate in accordance with the foregoing provisions and may condition the delivery of such certificate upon the payment of the applicable fee.

6.11 Covenants Binding and Running with the Land. Each of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant, the Association, and the Owners of each Lot in the Addition, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

6.12 Duration. The Covenants, Conditions and Restrictions in this Declaration shall continue in perpetuity, unless sooner modified or terminated as provided in this Declaration.

Except as provided in the preceding paragraph of this Section, the covenants, indentures, restrictions and reservations in this Declaration shall be for an initial term of twenty (20) years, and shall automatically renew for successive terms of ten (10) years each, unless sooner modified or terminated.

6.13 Amendment of This Declaration. This Declaration may not be altered, amended, modified, supplemented or terminated, in whole or in part, except in writing and as provided in this Section, subject to the limitations at 2.01(a) supra. Declarant or Declarant's designee may, by written declaration signed and acknowledged by them and recorded in the Office of the Recorder for Story County, Iowa, alter, amend, supplement, add to, or terminate such conditions, covenants, indentures, restrictions and reservations of this Declaration, provided, however, that such alteration, supplement, addition, amendment or termination shall insure provisions for the continued operation, maintenance, repair, restoration and replacement of Improvements to the Addition, and except that no such alteration, amendment, supplement, addition, or termination may change the manner of assessment of any Owner except in a manner applied uniformly to all Owners. No such alteration, amendment, modification, or change shall

reduce or modify the rights or obligations granted to, or imposed upon, the Association with respect to the continued operation, maintenance, repair, restoration and replacement of the Declarant Improvements to the Addition and the power to levy assessments therefor or to eliminate the requirement that there be an Association unless some other person or entity be substituted for the Association and succeed to all of its rights and duties under this Declaration. It is expressly understood that no such alteration, amendment, supplement, addition, or termination shall require the consent of any Occupant (other than an Owner, and then for such Owner-Occupant only to the extent provided elsewhere in this Section) or any mortgagee of any Lot or from the City.

6.14 Release Upon Sale. Subject to the provisions of this Section, if an Owner of a Lot sells, transfers, or assigns its Lot (other than as security for a loan), then it shall be released from its future obligations under this Declaration. It shall be a condition precedent to such release and discharge that any and all amounts that shall then be due and payable by such Owner shall have been paid, and that such Owner shall give written notice to the Association of any such sale, transfer, conveyance, or assignment concurrently with the filing for record of the instrument effecting the same.

Notwithstanding anything in this Declaration to the contrary, it is expressly understood and agreed that any first mortgagee that shall have acquired title to any Lot, or portion thereof, through foreclosure or deed in lieu of foreclosure, shall not be personally liable for any obligations under this Declaration that arose with respect to the obligations of the Owner of such Lot prior to the date such mortgagee acquired title thereto; provided, however, that any existing lien or right to a lien against such Lot allowed by this Declaration or as a result of the enforcement of this Declaration with respect to matters occurring before such mortgagee so acquired title thereto and shall continue and remain in full force and effect.

6.15 Severability. In the event any provision of this Declaration is held invalid, illegal, or unenforceable, in whole or in part, the remaining provisions of this Declaration shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Declaration is invalid, illegal or unenforceable as written or applied, but that by limiting such provision it would become valid, legal and enforceable, then such provision shall be deemed to be written or applied and shall be construed and enforced as so limited.

6.16 Time of Essence. Time is of the essence with respect to the performance of each of the conditions, covenants, terms and provisions of this Declaration.

6.17 Governing Law. This Declaration shall be construed in accordance with the laws of the State of Iowa.

6.18 Captions. The captions of the Articles, Sections and Subsections of this Declaration are for convenience only and shall not be considered nor referenced in resolving questions of interpretation and construction of this Declaration.
